

Sectional and roller shutter door performance guarantee

This guarantee covers the time before a building owner needs to repaint the Colorcoat® pre-finished steel for sectional and roller shutter doors for the duration indicated in the matrix below. Any colour fade or colour change shall be limited and uniform given equal exposure to the local environmental conditions.

The guarantee is issued by Tata Steel through the Colorcoat® Accredited Distributor or approved supply chain partner on an application specific basis. Any claims on the guarantee should be made through the contractual supply chain and not made directly to Tata Steel. Full material traceability must be provided.

Customer:

Capital Coated Steel

Guarantee number:

SP2245

Date of guarantee:

1st January 2012

Signed:

Mr Martyn Wilson, CTS Manager
